

SpaceExplorer™

The Professional 3D Mouse

It's All In The Wrist
 SpaceExplorer™ is winner of a prestigious IF Product Design Award.

Dimensions (LxWxH): 194mm x 139mm x 58mm / 7.6" x 5.5" x 2.3"

Technical Specification

- 3Dconnexion patented six-degrees-of-freedom (6DoF) technology
- QuickView Navigation Keys (four standard views)
- Two Navigation Settings Keys (Speed, Rotation)
- Two Intelligent Function Keys
- Keyboard Modifiers (Ctrl, Alt, Shift, Esc)
- 15 programmable keys
- Mid size advanced wrist rest design
- Weight: 600g / 1.32lb

Intelligent Function Keys

Each application environment, such as sketch, part or assembly has its own set of tools and processes. SpaceExplorer automatically recognizes the active application and environment and assigns 2 relevant application commands to its Intelligent Function Keys.

This seamless process ensures the right tools are available at the right time and as there's no need to use the standard mouse or keyboard to select the commands, users experience a significantly streamlined workflow.

Keyboard Modifiers

The convenient Ctrl, Shift, Alt and Esc keys allow users to simultaneously navigate their 3D model while accessing special application functionality or editing capabilities. This significantly reduces the need to move the hand from SpaceExplorer to the keyboard, resulting in a more optimized workflow.

Advanced Wrist Rest Design

The soft coated, sculpted wrist rest guides the hand into a natural, comfortable position, while the symmetrical design means SpaceExplorer is equally suitable for left or right handed users.

More than 130 applications supported

- Inventor™
- SolidWorks™
- CATIA™ V5
- CATIA™ V6
- Pro/Engineer™
- NX™
- Solid Edge™
- 3ds Max™
- AutoCAD™
- Maya™
- Softimage™
- SketchUp™

Minimum System Requirements

- Intel Pentium 4/III or AMD/Athlon™ processor based system
- Windows: 140 Megabytes free disk space for driver and plug-in installation
- UNIX/Linux: 2 Megabytes free disk space for driver installation
- USB 1.1

Additional Information

- 3 years Warranty
- Operating System Support
 - Windows 2000 SP4
 - Windows XP Professional
 - Windows XP Professional x64 Edition
 - Windows Vista (all editions x86 and x64)
 - Windows 7
 - MAC OS 10.4.6 and above
 - Linux Red Hat Enterprise WS 4, SuSE Linux 9.3
